

# sharps

## Safe Sharps-Disposal Program

This program is for members of the community who seek a safe method to dispose of their used needles and syringes.

*Please: No medical waste from veterinary, dental or other professional practices.*

### When:

First Tuesday of Every Month

Drop off from 8:00 AM to 3:00 PM

### How:

Place used needles and syringes in a puncture proof container and tape it securely closed.

### Where:

Use the loading dock entrance located in the rear of the Hospital. Containers labeled for sharps disposal are located just inside the door.

### Questions?

Please call Donna Enos: 1-508-957-9491
